

The geo summer solar special offer

Buy 10 Solo II PV monitors and get a Solo III PV free!

This summer, **geo** is offering a hot deal on its two flagship solar monitors.

Buy **10 or more Solo II PV solar monitors** and you'll get a **free Solo III PV worth over £200** (ex. VAT)

To claim your free Solo III PV, place an order at any participating supplier – requesting the Solo III PV - and they'll ship the displays directly to you.

Want to add value? When you install any solar monitoring device from **geo**, your customer can log into a personalised online energy account – **energynote**® – to keep track of budget, spend and historical data.
