

Your quotation

All quotations are inclusive of UK mainland delivery.

A quotation will be sent via email valid for a period of 90 days from creation, this will be supplied with an indication of lead time, our lead time begins upon payment of deposit.

Standard invoice terms: 30% deposit, 40% on delivery and 30% following commission and handover. Invoices to be paid within 30 days from date of invoice.

It may be requested that GivEnergy visit site or complete substantial preparation work prior to a quotation being provided, in some circumstances payment may be required for this service which may be deductible from the order should it proceed.

Exclusions

Considerations need to be made for (None containerised solutions);

- Unloading and movement of components from delivery vehicle to installation location
 - Due to the size and weight of components it is advised that a tail lift will may not be available so arrangements should be in place for unloading of vehicle
- Suitable floor fixings for PCS and battery racking
- Ventilation (Unless provided as part of a containerised solution)
- G99 relay, if required
- Installation of metering (Metering and split core CT clamps are included)
- Physical installation of Battery Racking, Batteries, PCS, AC and meter cabling
- Connection and testing of AC supply/earthing
- Disposal of packaging
