

## *To whom it concerns*

EURENER EUROPEAN ENERGY WORLD S.L. , holder of the MCS certificate number BABT8764, declare with this statement that we are in the process of updating the above mentioned certificate. This involves updating the nomenclature for the HC120 (MEPV 120 half cut 340w, 375w) modules with a power output of 375w and 340w. The update process is expected to be completed within a maximum of 2 months.
