

# Illustration of EP Battery Registration

1. Type UK official website name <https://uk.fox-ess.com/>

2. Go into support page and you can find the warranty option

### 3. Divert to battery warranty registration page

INQUIRE      REGISTRATION

**Fox** | Quality assurance system

Complete the relevant form below to register your warranty and to obtain a certificate for immediate download.  
Please note that inverters/chargers and battery warranties are registered separately. Please complete all fields.  
If you qualify for an extended warranty, you will need to enter the extension code below (this should have been provided by your installer/supplier). If registering a standard warranty, please leave the extension field blank.
