

Installation Guidance for **INVERTER**

1. **User Manual:** For mechanical&electrical (cable sizes requirements) installation and scope of delivered parts for installation
1-Phase: [EN_UM_SH3.0_3.6_4.0_5.0_6.0RS_User_Manual.pdf \(sungrowpower.com\)](#)
3-Phase: [EN_UM_SH5.0_6.0_8.0_10RT&SH5.0_6.0_8.0_10RT-20_User_Manual.pdf \(sungrowpower.com\)](#)
2. **Video:** For Inverter Mechanical&Electrical Installation
1-Phase: [The 1-phase Solution - Hybrid Installation - YouTube](#)
3-Phase: [The 3-phase Solution – Hybrid Installation - YouTube](#)

Installation Guidance for **BATTERY***

1. **User Manual:** For mechanical&electrical (cable size requirements) installation and scope of delivered parts for installation
[EN_UM_SBR096-256_User_Manual.pdf \(sungrowpower.com\)](#)
*For Battery installation the only requirement is power cable between battery and inverter.
2. **Guide:** For Quick Installation
[EN_DE_IT_FR_NL_PL_ES_PT_SV_QG_SBR096-256_Quick_Installation_Guide.pdf \(sungrowpower.com\)](#)
3. **Video:** For Battery Mechanical&Electrical Installation
[The 1-phase Solution – Battery Installation - YouTube](#)

Installation Guidance for **ENERGY METER**

Single Phase: S100

1. **Guide:** For Quick Installation:
[EN DE IT FR NL QG S100 Quick Installation Guide.pdf \(sungrowpower.com\)](#)

Guidance for **COMMISSIONING (iSC APP)**

1. **Data Sheet:** For WiNet-S:
[EN_DS_WiNet-S_Datasheet.pdf \(sungrowpower.com\)](#)
2. **Video:** For Commissioning
 - a. **ON-SITE VIA APP:** The whole commissioning process (Wifi, Ethernet):
[iSolarCloud: How to do the whole commissioning on-site – YouTube](#)
 - b. **START ON-SITE FINISH REMOTELY:** site via local access(with/wo need of account):
[Commissioning with iSolarCloud: Start on-site and finish remotely - YouTube](#)
 - c. **REMOTELY:** No App required, only ETH connection:
[Commissioning 2.0: No App required, only ETH connection – YouTube](#)
