Learn, Lunch & Play!

Dear Installer,

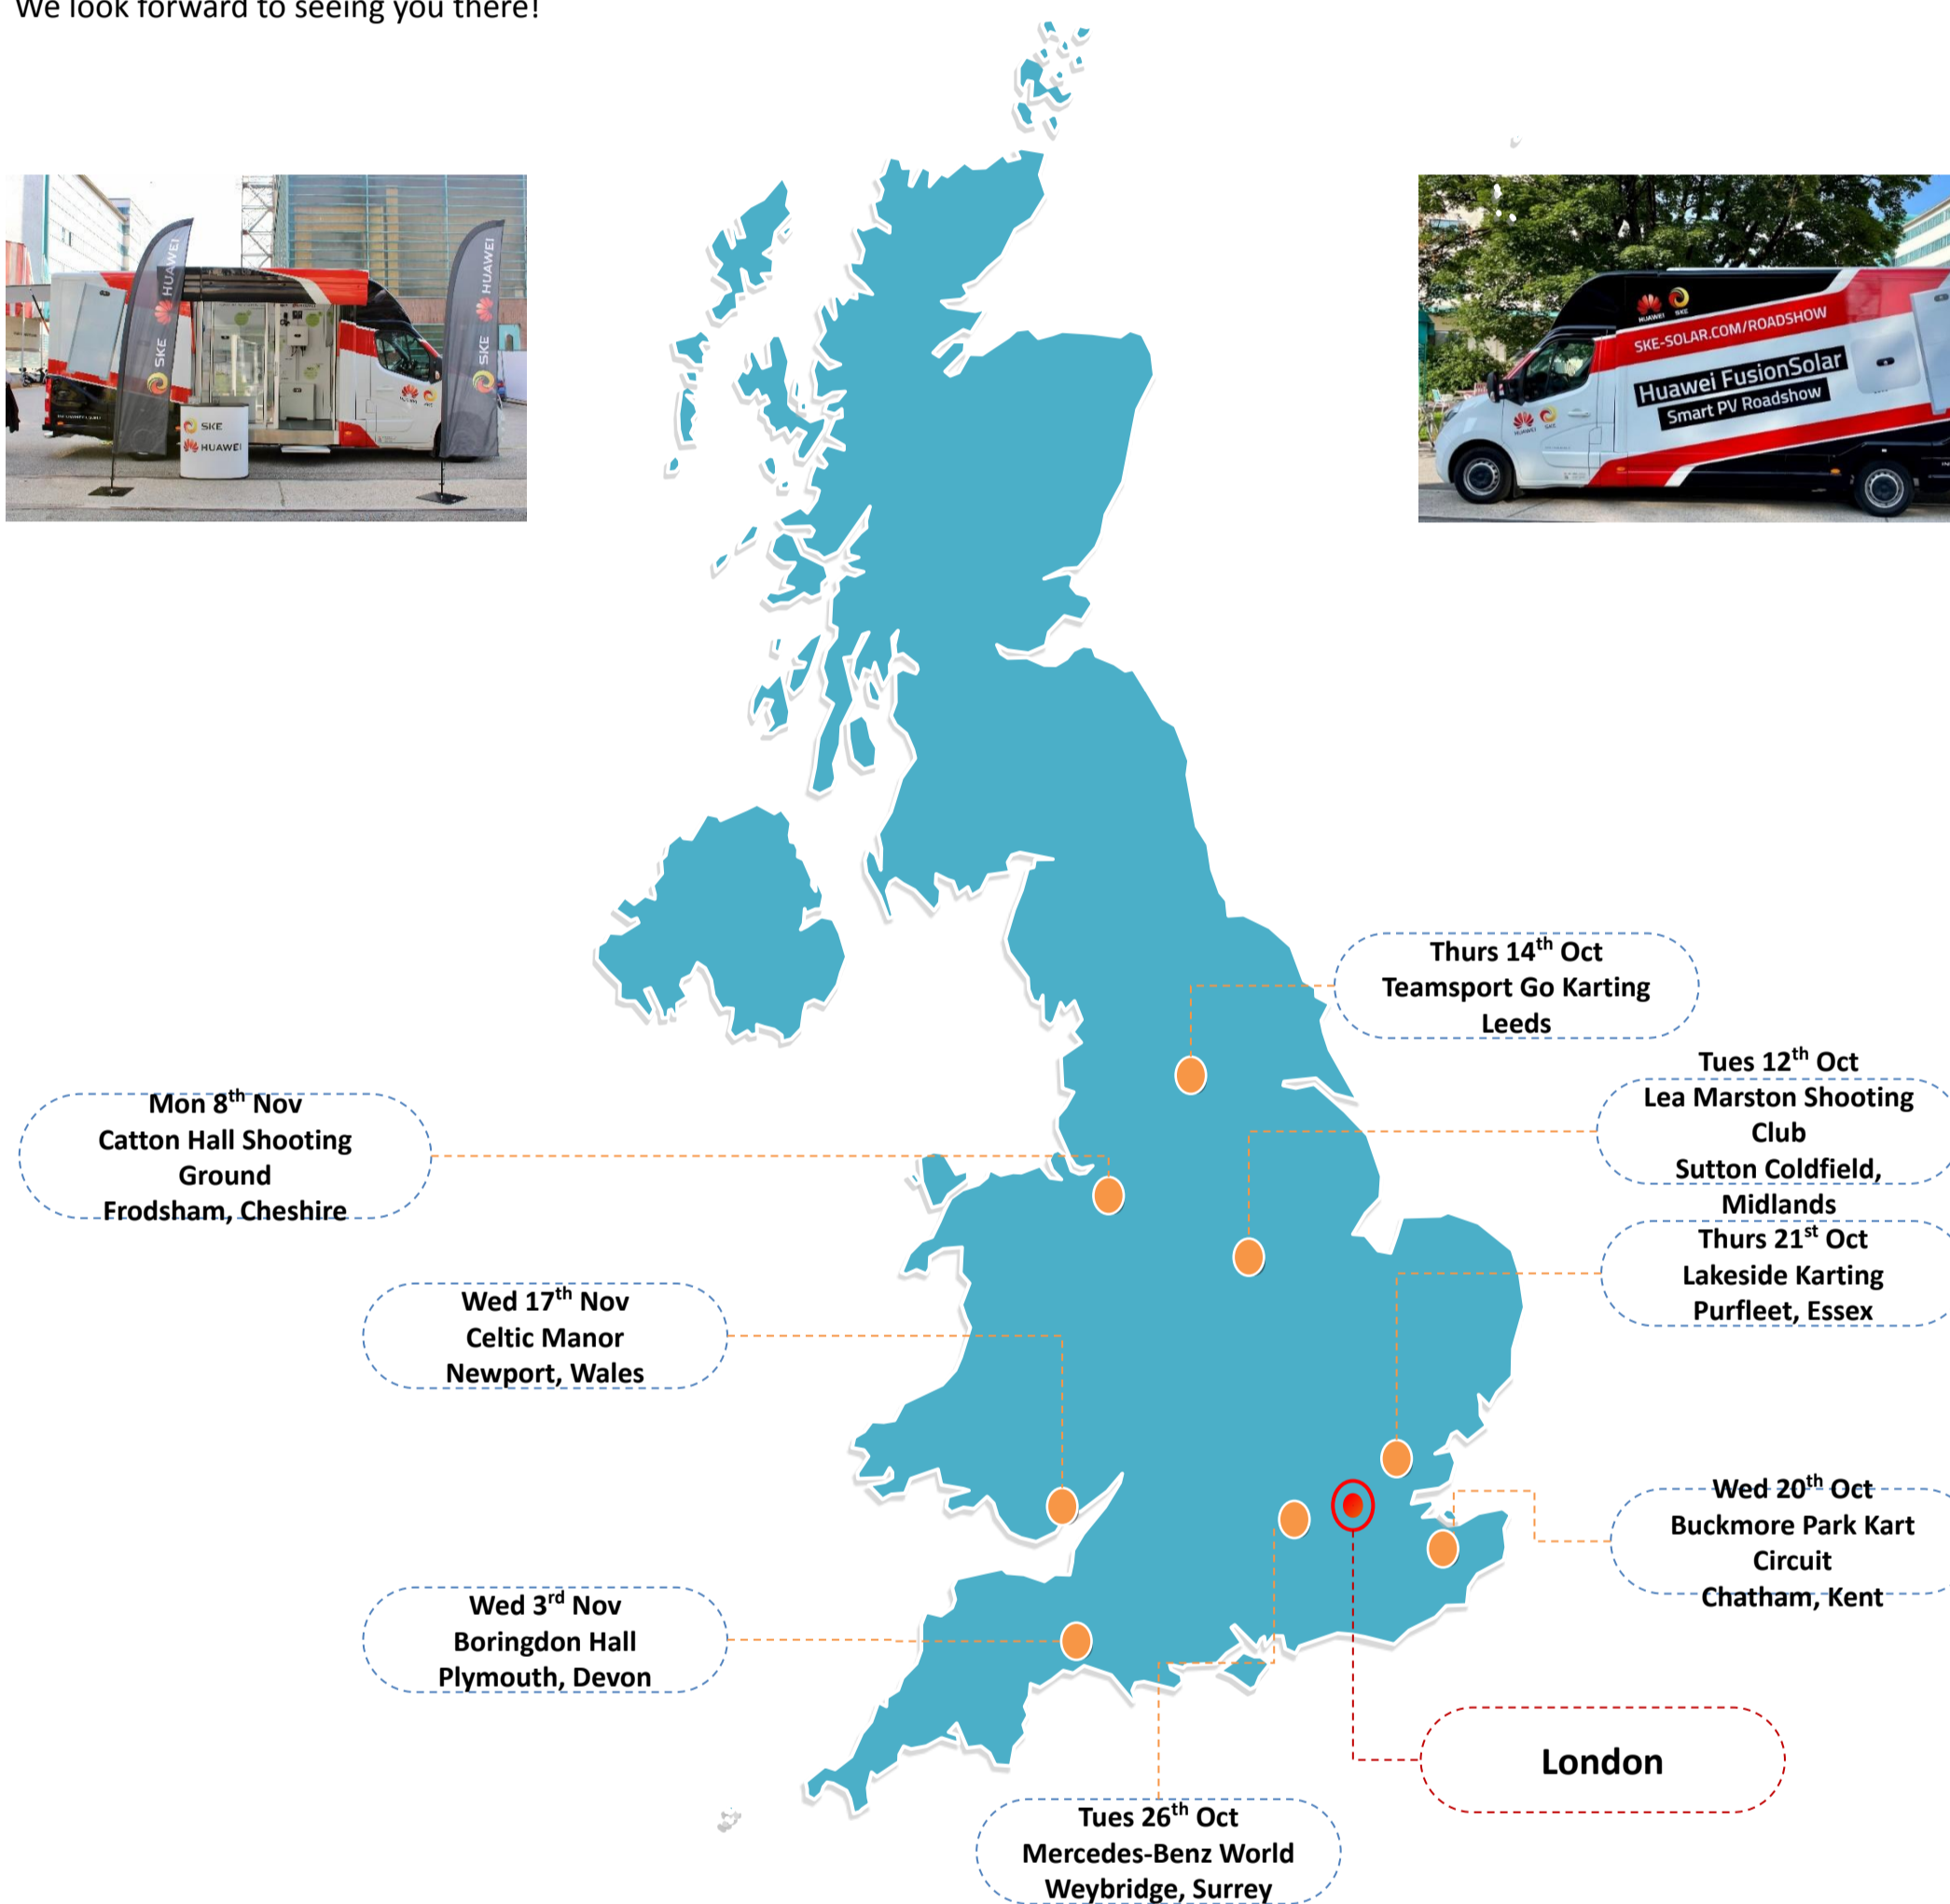

Now that COVID-19 restrictions have been lifted, we are delighted to announce that the Huawei UK FusionSolar Roadshow will begin in October! Join us on the tour to get a closer look at Huawei's latest PV products on the custom-built demonstration van which is fitted with our residential inverters and LUNA battery, commercial inverters, optimisers and accessories such as 4G/Wi-Fi dongles, Backup Box and FusionSolar commissioning and monitoring App

Who should attend?

Installers, Engineers, management or commercial staff involved in residential or commercial solar PV projects

Each event will run from 9:30 am to 5:00 pm. See below for dates, locations and registration link. Spaces are limited with a maximum of 2 people per installer. Please register ASAP to reserve your place and select which event you would like to attend

We look forward to seeing you there!
