Complete charge point management solution

Turn your EV chargers into a new revenue stream by offering electric car charging to the public. With Monta connected to your charger points, you can easily manage pricing, users, and payments from our portal.

End-to-end payment system

End-to-end payment system for it all - monthly subscriptions, electricity reimbursements & public charging.

QR-stickers

Connect a QR sticker to your charge points to let customers charge & pay without downloading an app.

Optimise your charge points

Optimise the use of each charge point by letting your customers enter a Smart Queue or reserve a charge point (for a fee).
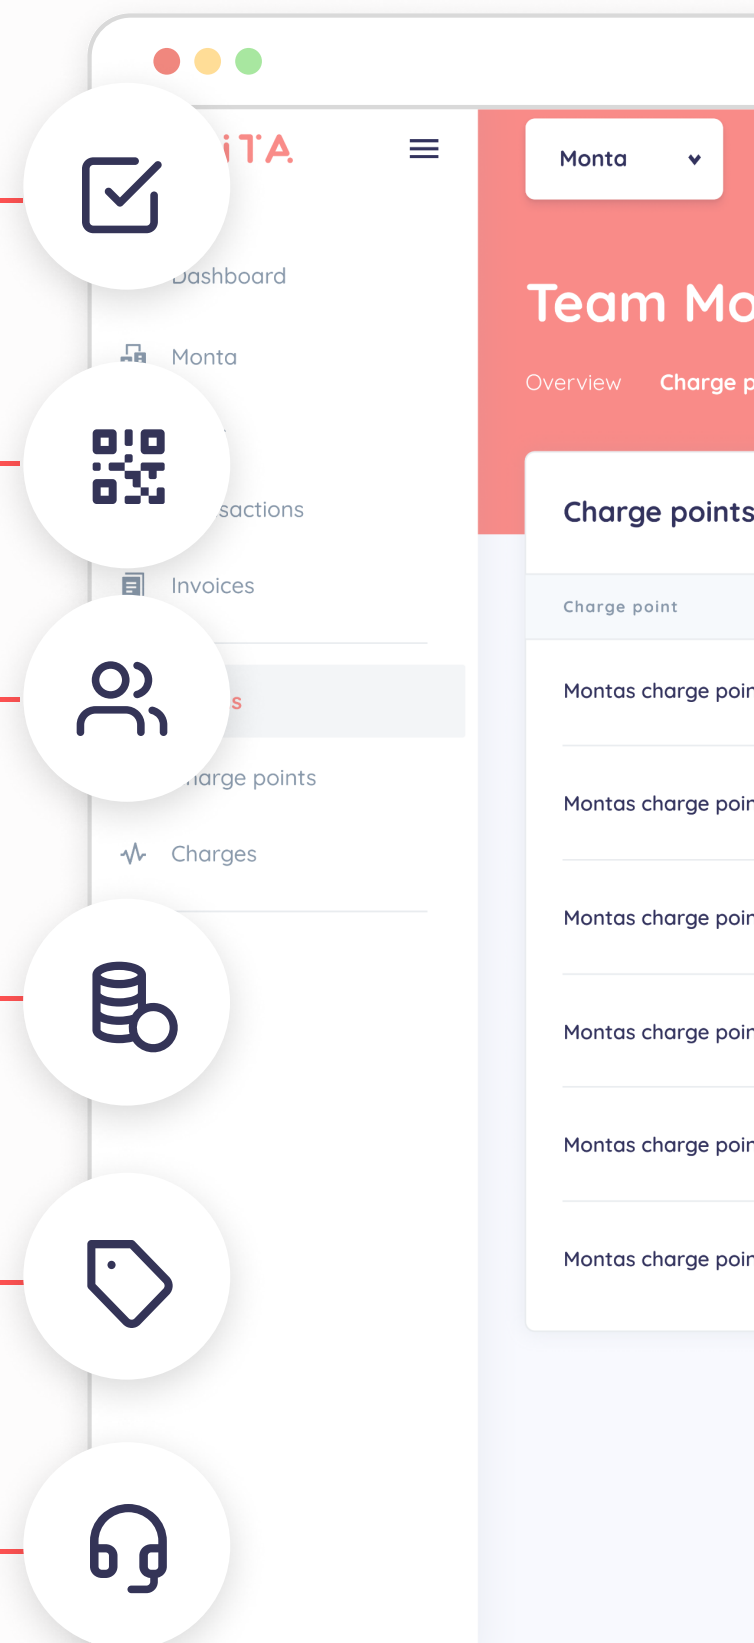

Flexible customer pricing

Charge users per kWh or minute & set idle fees. Differentiate pricing for different segments. You have complete control.

Offer promo codes

Offer redeemable credits or discounts; Either one-time or time-based discounts on specific charge points.

End-customer support

Chat support is available 24/7 to your customers. Add Monta's phone support as an extra service.
