Message from the top

We pledge

that Trina Solar conducts all business in a manner that ensures **compliance** with applicable laws, regulations and industry standards, and **integrates environment, health, safety and corporate social responsibility** into all stages of our product life cycle.

Message from Mr. Gao Jifan
Trina Solar CEO

Memberships and Third Party Certifications

Global Corporate Social Responsibility audit carried out by EcoVadis 9 years in a row; first in the industry

SA 8000 & other social audits and certifications

SGS

Certificate CN24/00004477

The management system of
Trina Solar (Qinghai) Technology Co., Ltd.

Northwest No. 17, Quhua 9th Road, Shangrenhuang Town, Huangzhong District, Xining City, Qinghai Province, P.R. China

has been assessed and certified as meeting the requirements of
SA8000:2014

For the following activities:
Manufacture of solar PV modules (with primary process of dicing, welding, lamination, assembly, testing and packaging)

Social Accountability International and other stakeholders in the SA8000 process only recognize SA8000 certificates issued by qualified CBs granted accreditation by SAAS, and do not recognize the validity of SA8000 certificates issued by unaccredited organizations or organizations accredited by any entity other than SAAS. Please refer to SAAS website <https://sa-intl.org/sa8000-search/> for the validity of accredited certificates.

This certificate is valid from 18 July 2024 until 17 July 2027 and remains valid subject to satisfactory surveillance audits.
Issue 1. Certified since 18 July 2024

Authorized by
Nishab Jadhav

SGS India Private Ltd.
48 All Shikharacharya Marg, Vikhroli (West), Mumbai- 400 083, India

TRINA SOLAR'S COMMITMENT TO SUSTAINABLE AND RESPONSIBLE PURCHASING

In our efforts to build a sustainable future, Trina Solar remains more committed than ever to using responsible purchasing initiatives. Trina procures more than 80 items, including raw materials, auxiliary materials, infrastructure, equipment, office supplies, certification services and more. In order to manufacture high-quality PV modules and deliver smart solar value and services, To ensure sustainable and responsible purchasing in this supply chain, Trina Solar has implemented:

- robust Environment, Health and Safety (EHS) management procedures;
- strict supplier-selection processes;
- stringent environmental and social assessment principles; and
- frequent internal and third-party audits.

THANK YOU

Trinasolar
