

Warranty Certificate

Midsummer Energy Ltd.

LIMITED WARRANTY

LONGi Solar Technology Co., Ltd and its affiliated entities hereby warrants that we will provide relevant warranty in accordance with LONGi's Limited Warranty for PV Modules. The following modules have a product warranty period of twenty-five (25) years, and a performance warranty period of twenty-five(25) years begins on the date of delivery to xxx customer or 6 months after the mod-ules are shipped out of the production plant, whichever is earlier.

The warranty is applicable provided that the Solar Modules are installed, utilized, and maintained in accordance with the stipulations of the LONGi Installation Manual, which may be updated periodically.
